

Vivacious

Working in such a dynamic and fast paced business as Real Estate is, you have to be able to juggle many clients needs and portfolios.

Vivacious and good natured employees, together with your own professional approach, is what helps to make the day-to-day running of the office more enjoyable.

As the Brock Harcourt's Real Estate Office and Services Manager, it is all about providing exceptional service to many high-spirited employees and vigilant clients - and we do that well!

Voiteck's telephone and business communications solution has helped us to stay in touch with all our sales and support staff to ensure we promptly attend to all our clients' needs.

Overall, Voiteck support 4 different companies, working from the same office and they even turned my iPhone into a landline. Voiteck has reduced our telecommunications bill by at least 35%.

It's a big V for me!
